Crosby & Nash, Naked In The Rain

music: David Crosby words: David Crosby and Graham Nash 1975 Staysail Music (BMI)

The clown sat speechless, looking in his mirror unable to remember how to paint his face Staring at the image, slowly getting clearer Wondering if his fear or his heart would win the race

When it dawns on you what it takes from you living under clouds of pain theres a storm in you you dont know what to do Just when you think youre going insane you lie naked in the rain

Fluttering pages of faces no two alike Choice is your souls moment for its light to strike
