Written by Stephen Stills & Della Young, Published by Goldhill Music (c) 1987. Recorded July 28th, 1988.

Know you are a friend of mine, babe you been gone an awful long time. You might remember me, I tried to set your soul free.

Glad that you got it made, when did you finalize your last trade? You are the only one I've ever seen do what you done

Anything that you done done, you are the only one Don't put me under your gun.

I'm gonna be missing you, even though I understand that you're not through. Go on take it day by day, seems like I lost you anyway.

Glad that you got it made, when did you finalize your last trade? You are the only one I've ever seen do what you done done Anything that you done done, you are the only one Don't put me under your gun.

When you came to save the world I caused your dreams to fade, I couldn't do what you did and rained on your parade.

Glad that you got it made. Glad that you got it made.

Hard set of changes, for anyone that I know, You're gonna make it, make it, make it better for you and me and anyone else you know.

Just don't forget me, I'll be there when you're done And in the meantime, meantime, you'll get to know yourself So don't judge anyone else, anyone.

It doesn't matter I don't mind, I'm sure that you'll remember sometime, even if you never do, All you need to worry 'bout now is you.

Glad that you got it made, when did you finalize your last trade?
You are the only one I've ever seen do what you done done
Anything that you done done, you are the only one Don't put me under your gun.

Glad that you got it made.
