## Crossbreed, Release Me

the war that's in your mind you explained to me sounds like youre obsessed but certainly somewhere you will find a place to express your needs you always insist that place is me you're right your - holy system is right your right your - no one can stand all the lies your right your holy system is right your eight your - the walls been broken down

release me the walls been broken down

before you ever thought you could bury me, i turned off the lights so you cant -- see a shadow in the dark that you can barely see, surrounded by the dead that doesnt bleed, you're right your - holy system is right youre right - your no one can stand all the lies youre right your - holy system is right youre right your - the walls been broken down

circles form around me i cant see staring eyes have brought me to my knees youre right youre right

release me the walls been broken down
