In my hood gotta slang, gotta bang

Went under(??? walkin???)well, hangin on the curb puffing herb  
Straight hustlin NIGHT and DAY,gotta get my nine  
Strappin up my glock and hoody, i'm lookin for goodys on your block  
This is a stick up,don't make it no limit let's pick up (nigga)

Bitches gone get you caught up, fighting over them hoes  
She be giving up the pussy left and right

Bustin caps in ya ASS going 50 miles fast  
Know you hoes can come and see me  
Cuz it don't mean shit, I'm ready to turn it on any time  
Specially when I come to shoot  
I'm a loon and I'ma have that damn nine  
Only you some nigga dying

Nigga shouldn't did what he did now hes a DEAD ASS CLOWN,  
Another nigga that wont make it in this world man,

And that shit wasn't right, now its a damn shame  
Should've broke it to the left man

Chorus x3

(Never)

Could it be that a nigga want to play game,  
And the game done already been played,  
Trying to get with this gangbangalistic shit  
for your homies in they grave,  
Had to think about murder but you couldn't go deep,  
So get ready for tha street sweeper, going to be a cold creeper  
When you told the playa pimp ill beat ya  
and a nigga like me was always in the game  
Cuz I kept my shit tight, niggas talkin bout we used to fight  
Nigga used to get they ass (???), and its still the same up in the CHI  
Thats where my nigga rose dwell, bustin butts up in they face,  
On the murder case, bring they bullet proofs wit mace,  
And you we was all good, comin up, getting paid  
Smokin on a fat sack, gat to the left  
lay back in the cut drinking Tanqueray  
Pimpin I think I'll never do, to the right thats tight but I'ma stay  
In the cradle, if ya able  
Break it to the left man
