

Crucified, Seal Number Four

here comes the ashen horse
death is on its back
the creature utters - "come"
the creature's voice - a thunder crack

(chorus)
seal number four is broken
now the time has come (x2)

once in times of peace
there was a chance before
but now it's much too late
he's broken seal number four

(chorus)

revelation 6:7,8

(repeat first and second words)
