

Cruel Intentions, Bedroom Dancing

Do U wanna go dancin?

In a club?

We could have a good time and live it up.

Sed if U wanna go dancing U gotta wear a tuxedo

And we could do the tango whereva we go

Sed if U wanna do the tango then we're gonna need a ballroom

So she took me by the hand and led me to her bedroom

And then she did it...stripped me half naked

And told me that her body was sacred.

She sed I could take it, if I danced with her

But sumhow I knew that she was an indian giver

I sed 'what about tomorrow??'

She sed 'what about tonight??'

She sed 'trust me baby itll be alright'

She walked in wearin stiletto boots

First woman, weddin then honeymoon,

This girl that I thought I knew so well

Didnt know her until we hit the hotel

And we're on the dancefloor, by the seashore

She sed 'these nights we dance together is what I live for'

I sed 'what about before, before these nights??'

She sed 'ask me no questions and ill tell U no lies'

I sed 'what about tomorrow??'

She sed 'what about tonight??'

Trust me baby itll be alright'

And so we danced and danced and danced and danced and danced

So we danced and danced and danced and danced and danced all night.

12 o' clock the music stopped [music fades out to silence]

She walked away from me and took her shoes off

And she sed 'thats it'

And I knew it,

She sed 'we cant dance without music.' [music starts up again]

I sed 'we can dance tomorrow'

She sed 'we've already danced tonight, trust me baby ull be alright'

It'll be alright.

It'll be alright.
