

# Crystal Castles, CHAR

I'm afraid they're gonna find you  
and there's nothing that I can do  
A century of your priceless time  
to commit a victimless crime  
Vow to caress your rashes  
Vow to punish with lashes  
You can hide inside my locket  
Put a leash on when they walk you  
Next year say you didn't want to  
Do they chastise you when you stray  
Sallow skin and they can't look away  
Start a collection of brine  
because all you do is cry  
Wood ticks whisper to console you  
All you do is cry  
All you do is cry  
I'm afraid they're gonna find you  
and there's nothing that I can do  
A century of your priceless time  
to commit a victimless crime  
Vow to caress your rashes  
Vow to punish with lashes  
You can hide inside my locket  
Put a leash on when they walk you  
Next year say you didn't want to  
Do they chastise you when you stray  
Sallow skin and they can't look away  
Start a collection of brine  
because all you do is cry  
Wood ticks whisper to console you
