

# Crystal Eyes, Panic

My life is a bloody mess  
To my body I have no access  
I know what is right, but I'm not in charge  
I can't let go of the knife  
That I just have raised to end your life  
One more awful crime to torture my mind

Let me out. Let me out of here  
I just can't take it no longer  
Let me go, and leave me alone  
Before I go insane

Born to run, and follow the sight  
Of despair, chaos and fright  
Desperate taking soul after soul  
I'm out of control  
In panic I am damned to live my life

My actions are not of my will,  
But they seem to give my brain a thrill  
I can not resist my heinous slaughter  
I'm caught in a mad machine  
Destruction and death are all I've seen  
How can I escape this hellish nightmare?

Let me out. Let me out of here  
I just can't take it no longer  
Let me go, and leave me alone  
Before I go insane

Born to run, and follow the sight  
Of despair, chaos and fright  
Desperate taking soul after soul  
I'm out of control

Born to run, and follow the sight  
Of despair, chaos and fright  
Desperate taking soul after soul  
I'm out of control  
In panic I am damned to live my life
