Crystal Fighters, Boomin' In Your Jeep

we did it /4x

take your guard down come into my card house race the car down all he way to San Jose with you babe for you I throw my heart out catching all your stardust feel the fallout coming nut it's OK with you baby

cos we found something so it's drive it till we get to the center to the deep foot on the pedal we don't sleep feels like fireworks when you vibe with me all night to the music to the beat we turn it up and we're booming in your boomimg in your jeep we're booming in your boomimg in your jeep we're booming in your boomimg in your jeep

all night to the sunrise to the sunshine we're booming in your boomimg in your jeep all night to the sunrise with the good times

we can blame us balling like we're famous wake the neighbors booming with you night and day living loud always and we don't need no labels tey cannot contain ius bass so contagious all we gotta do is sway take a hit and press play

feels like earthquake with those 808's all uo in th emuic to the beat we turn it up and we're booming in your boomimg in your jeep we're booming in your boomimg in your jeep we're booming in your boomimg in your jeep

all night to the sunrise to the sunshine we're booming in your boomimg in your jeep all night to the sunrise with the good times

jeep ready, bags stashing, subs burning, beat banging jeep ready, black magic, subs burning, beat banging

bathed in starlight sipping on the moonshine feels just so right rolling and we get no sleep with the bass so deep
