

Crystal Fighters, Manifest

Manifest manifest my destiny
Easy life will come and find a way for me
Feel the love all around
Feel the love all around
And the spirits all around me
Feel the energy surround me

I just wanna spend my days
Chase the setting sun, oh oh
Riding on a higher wave
I'm not coming down, oh oh

In the timeless of times
In the silence of sounds
With my feet on the air
And my head on the ground
In the oneness of life
As the chaos surrounds
Keep the light shining in me
Feel the love all around

I just wanna spend my days
Chase the setting sun, oh oh
Riding on a higher wave
I'm not coming down, oh oh

(MANIFEST!)
I just wanna spend my (DESTINY!) days
Chase the setting (MANIFEST!) sun ,
(YOUR DESTINY!) oh oh
(MANIFEST!)
Riding on a higher (DESTINY!) wave
I'm not coming (MANIFEST!) down
(YOUR DESTINY) oh oh
