

Crystal Gayle, Touch And Go

Honey, forgive me if I stop and drift
But my whole world's been thrown in a spin!
And it ain't any wonder; you come on like thunder--
and then disappear like the wind!

Last thing I remember, I'm just holding on--
falling away in your arms....

Touch and Go!
How can you say goodbye; you've barely, said hello!
Touch and Go! (and go)
We could be taking it tender and slow...
It never fails-- the same old tale of woe-oe-oe...
I like you much too much-- too much to let you touch and go!

Maybe I'm wrong, coming on a bit strong,
But this is something like I've never felt...
It's like I'm goin' through the ceiling, and suddenly feeling,
Like butter and ready to melt.

Ever since I met you, I've been just holdin' on,
And I'm totally out of control...

Touch and Go!
How can you say goodbye, you've barely, said hello!
Touch and Go! (and go)
We could be taking it tender and slow...
It never fails; the same old tale of woe-oe-oe,
I like you much too much-- too much to let you touch and go!

Touch and Go!
(Instrumentals)

Don't tell me, you don't feel the same!
After all, you recall-- I was there...!

Touch and Go!
How can you say goodbye; you've barely, said hello!
Touch and Go! (and go)
We could be taking it tender and slow...
It never fails-- the same old tale of woe-oe-oe...
I like you much too much-- too much to let you touch and go!

How can you say goodbye, you've barely, said hello!
Touch and Go!

How can you say goodbye, you've barely, said hello!
Touch and Go!

(repeat, fading out)
