\* Candy wanna be lady the lady that you like  
Candy loves you baby so notice her, yo baby  
Candy wanna be lady the lady that you like  
Candy wanna be your lady

I'm friends with them both, so  
I thought about it hard & I was troubled  
She was also agonizing while crying  
If our close friendship broke...

\*\*Candy is a good girl, right  
So she hides her feelings  
She can't say "I love U"  
What do you think about her?  
It's painful, I'm sure  
So hurry up & notice her [feelings]

\* repeat

She can't help liking you  
No one is to blame, [her feelings] can't stop  
I have a similar experience  
so I think I want you to say "keep on going!" to her

Candy is a good girl, right  
So she hides her feelings  
She can't say "I love U"  
If you know how she feels,  
what U gonna do?

\* repeat x2

Everyday & Night  
Her loves grows deeper  
Oh~ Can't U See  
Even now, her feelings seem to overflow  
Oh~

\*\* repeat

\* repeat x2
