

# Crystal Lewis, Turn Your Heart Around

Bill Baumgart

CRYSTAL-Searchin' all night to find a reason why  
I should hold back my love from you  
And let my fear breakthrough

BILL-You know he's got you in this season  
Waiting for love to turn your heart around

(CHORUS)  
So don't all of your life living out on your own

CRYSTAL-I know what you say is true

BILL-He will never let you spend one more night all alone

CRYSTAL-Lord I do believe in you  
I've tried so hard to find the answers  
But all I've found is a lonely road  
I don't know where to go

BILL-Well I know that I don't have all the answers  
But Jesus is Lord and he loves you so

(CHORUS)  
Oh my Lord, I feel how much you care

BILL-He'll never leave you now  
Through all he will be there

CRYSTAL-Now in my life I have a reason  
Because I know that his love is true  
I can see him in you

BILL-Well, I'm glad that he brought you through this season  
And he used his love to turn your heart around

(CHORUS)
