Culture Club, Dont Cry

Give me time

To realize my crime

Let me love and steal

I have danced inside your eyes

How can I be real

Do you really want to hurt me

Do you really want to make me cry

Precious kisses

Words that burn me

Lovers never ask you why

In my heart

The fires burning

Choose my color

Find a star

Precious people always tell me

That's a step

A step too far

Do you really want to hurt me

Do you really want to make me cry

Do you really want to hurt me

Do you really want to make me cry

Words are few

I have spoken

I could waste a thousand years

Wrapped in sorrow

Words are token

Come inside and catch my tears

You've been talking but believe me

If its true

You do not know

This boy loves without a reason

I'm prepared to let you go

If its love you want from me

Then take it away

Everything is not what you see

It's over again

Do you really want to hurt me

Do you really want to make me cry

Do you really want to hurt me

Do you really want to make me cry

Do you really want to hurt me

Do you really want to make me cry

Do you really want to hurt me

Do you really want to make me cry

Do you really want to hurt me

Do you really want to make me cry...
