

CURLY HEADS, Young Talk

I?m sitting in my home
I?m 17 yeas old
Life is simple, is it?
No!
I worry about the days
That I?m gonna face
Will I live, after my death
I?m sure that everyone thinks about it sometimes
Admit you?re scared
Don?t be afraid

Open your eyes and you will see
That you?re not dead, you?re gonna live
Don?t be afraid to live your life
It?s the one you will get in this one you can try

I know that how it?s gonna be
Really depends on me
But that knowledge doesn?t help
I still think that I?m small as sand
I?m sitting in my home
I?m 17 yeas old,
Is it simple?
Well, you know...

Open your eyes and you will see
That you?re not dead, you?re gonna live
Don?t be afraid to live your life
It?s the one you will get in this one you can try

Open your eyes and you will see
That you?re not dead you?re gonna live
Don?t be afraid to live your life
It?s the one you will get in this one you can try

Open your eyes and you will see
That you?re not dead you?re gonna live
Don?t be afraid to live your life
It?s the one you will get in this one you can try
