

# CURLY HEADS, Young Talk

I?m sitting in my home  
I?m 17 yeas old  
Life is simple, is it?  
No!  
I worry about the days  
That I?m gonna face  
Will I live, after my death  
I?m sure that everyone thinks about it sometimes  
Admit you?re scared  
Don?t be afraid

Open your eyes and you will see  
That you?re not dead, you?re gonna live  
Don?t be afraid to live your life  
It?s the one you will get in this one you can try

I know that how it?s gonna be  
Really depends on me  
But that knowledge doesn?t help  
I still think that I?m small as sand  
I?m sitting in my home  
I?m 17 yeas old,  
Is it simple?  
Well, you know...

Open your eyes and you will see  
That you?re not dead, you?re gonna live  
Don?t be afraid to live your life  
It?s the one you will get in this one you can try

Open your eyes and you will see  
That you?re not dead you?re gonna live  
Don?t be afraid to live your life  
It?s the one you will get in this one you can try

Open your eyes and you will see  
That you?re not dead you?re gonna live  
Don?t be afraid to live your life  
It?s the one you will get in this one you can try
