

Cut Copy, Saturdays

When I am looking for you,
I call your number
but I can't get through.

When I am looking for you,
I call your number
but I can't get through.

When I am looking for you,
I call your number
but I can't get through.

When I am looking for you,
I call your number
but I can't get through.

There is a feeling in me
and I don't know why.
Is there a feeling in you
that you can't deny?

There is a feeling in me
and I don't know why.
Is there a feeling in you
that you can't deny?

There is a feeling in me
and I don't know why.
Is there a feeling in you
that you can't deny?

There is a feeling in me
and I don't know why.
Is there a feeling in you
that you can't deny?

There is a feeling in me
and I don't know why.
Is there a feeling in you
that you can't deny?
