

CYN, Only With You

[Verse 1]

Colors in my mind that I don't see anymore
'Cause you're not with me all the time
Looking up at stars, I need you right at the door
Instead of racing through my mind

[Pre-Chorus 1]

I did not know yet
Just how I would get
Distance makes me fonder
Playing this game
Of matter and space
Say it will bring us closer

[Chorus]

I don't want anything to do with anyone but you
Only with you
Anything to do with anyone but you, you
I don't want anything to do with anyone but you
Anyone but...
Only with you
Anything to do with anyone but you, you
I don't want anything to do with anyone but you
Only with you
Anything to do with anyone but you, you
I don't want anything to do with anyone but you
Anyone but...
Only with you
Anything to do with anyone but you, you
I don't want...

[Verse 2]

Favorite things of mine that I can't hold in my hands
'Cause of the distance we've made
I know you have to do this and I have to do that
So we compromise our space

[Pre-Chorus 2]

I do not regret
The way that I am
Distance makes me fonder
Playing this game
Of matter and space
Say it will bring us closer

[Chorus]

I don't want anything to do with anyone but you
Only with you
Anything to do with anyone but you, you
I don't want anything to do with anyone but you
Anyone but...
Only with you
Anything to do with anyone but you, you
I don't want anything to do with anyone but you
Only with you
Anything to do with anyone but you, you
I don't want anything to do with anyone but you
Anyone but...
Only with you
Anything to do with anyone but you, you
I don't want...

[Bridge]

I don't want...

I don't want...
I don't want...
I don't want...

[Chorus]

Anything to do with anyone but you
Only with you
Anything to do with anyone but you, you
I don't want anything to do with anyone but you
Anyone but...
Only with you
Anything to do with anyone but you, you
Anyone but you
I don't want anything to do with anyone but you
Only with you
Anything to do with anyone but you, you
Anyone but you
I don't want anything to do with anyone but you
Anyone but you
Only with you
Anything to do with anyone but you, you
Anyone but you
I don't want...

[Outro]

Anyone but you
Anyone but you
