

# Cyndi Lauper, Late

My oh my it's a quarter to eight  
Don't shoot me down dreamboat I'm a late date  
Don't ask me no questions I ain't got a smooth line,  
Please a' wait a little longer tryin' to make it there on time

Tickety tock, oh the clock don't stop

Lazy, dizzy, daisy it's a quarter to whoops, uh, oh  
Doin' nothing honey just a' thinkin' of you  
So don't you give me no suggestions  
while I ain't got the time  
Won't ya move a little closer and a kiss  
me one more time

Tickety tock, oh the clock don't stop

It doesn't matter cause  
I know that you would love me too-

But I was late late late.
