

D1, Where Are You Now

You put trust in me I'll put trust in you
You can be my boo
We kick back
& we'll bill this zoot
Bend back and put the telly on mute
5 foot 2 and her back come huge
I can't lie man she's kinda cute
She's got attitude
and she say that I'm rude
Wanna Fuck by the seaside view

Sweet one, on to me
Hold it loves it
She wants company
Haters stay underneath
Bad B really wanna be loving me
I don't wanna love
I just wanna fuck
She's wanna it rough
27 looking buff
I Hit it then I gotta cut

You complain how I don't show love
Then you feel like I'm always above
You told me I was the chosen one
then 2 weeks later you told you was done
Back then you hated when I hit that strip
Trynna to get in all of the funds
& now I'm doing up shows & if I blow
I bringing through all of my blood

Where are you now
Where are you now where are you now
Where are you now
Where are you now
Mmm

You put trust in me I'll put trust in you
You can be my boo
We kick back
& we'll bill this zoot
Bend back and put the telly on mute
5 foot 2 and her back come huge
I can't lie man she's kinda cute
She's got attitude
and she say that I'm rude
Wanna Fuck by the seaside view
