

# DaBaby, Masterpiece

Notice how i loocked you in your eyes  
Let's go!  
Next time  
A nigga get shot  
If you really love me  
Fuck me like a thot  
If you really love me  
Do what i say  
When you give me head  
Liik me dead in my eye  
Nigga play and i'ma set on fire

My littel bitch is a masterpiece  
I don't even gotta be funny when i am telling ano jokes  
She still gon' laugh at me  
Still suck my dick when she mad at me  
Let a nigga make me mad, you'll see  
I nod my head in this bitch  
Tchem niggas gon' slide on  
Your bitch-ass for me
