

Daft Punk, Face To Face (Cosmo Vitelli Remix)

What's going on? Could this be my understanding
It's not your fault. I was being too demanding
I must admit it's my pride that made me distant
All because I hoped that you'd be someone different

There's not much I know about you
Fear will always make you blind
But the answer is in clear view
It's amazing what you'll find
Face to face

I turned away 'cause I thought you were the problem
Tried to forget until I hit the bottom
But when I faced you in my blank confusion
I realized you weren't wrong, it was a mere illusion

It really didn't make sense
Just to leave this unresolved
It's not hard to go the distance
When you finally get involved
Face to face
