

# Daft Punk, Face To Face (Cosmo Vitelli Remix)

What's going on? Could this be my understanding  
It's not your fault. I was being too demanding  
I must admit it's my pride that made me distant  
All because I hoped that you'd be someone different

There's not much I know about you  
Fear will always make you blind  
But the answer is in clear view  
It's amazing what you'll find  
Face to face

I turned away 'cause I thought you were the problem  
Tried to forget until I hit the bottom  
But when I faced you in my blank confusion  
I realized you weren't wrong, it was a mere illusion

It really didn't make sense  
Just to leave this unresolved  
It's not hard to go the distance  
When you finally get involved  
Face to face
