

Daft Punk, Too Long (Gonzales Version)

It's been much too long
I feel it coming on
The feelin' is getting strong
It's been much too long
I feel it coming on
The feeling's in my bones

Too long
Can you feel it
Too long
Oh, can you feel it
Too long

At last the long wait is over
The weight is off my shoulder
I'm taking all control
My mind, my mind is set so free
I'm where I want to be
To get the best of me

Too long
Can you feel it
Too long
Oh, can you feel it
Too long

You know you need it, I need it too
You know you need it, it's good for you
You know you need it, I need it too
You know you need it, this is good for you

Too long
Too long
Too long
