

Dalbello, Daydream

CHORUS

Come into my Daydream
Welcome to my Daydream
Funny as it may seem
Party until visiting hours are over
In my Daydream
Welcome to my Daydream
Funny as it may seem
Party until visiting hours are over

Burnin'...

Like you won't believe it, well
I'm yearnin'...
You wouldn't find me hard to please
Won't you join me? well...
Satisfy the need in me

Wanna party down
Gonna funk around
'Til we tear it all apart
Even if it takes all night

CHORUS

Come into my Daydream
Welcome to my Daydream
Funny as it may seem
Party until visiting hours are over
In my Daydream
Welcome to my Daydream
Funny as it may seem
Party until visiting hours are over

BREAKDOWN

Gonna dance around
Gonna dance on down
Hit the floor-- gonna hit the floor
Gonna dance
Wanna dance around
Gonna dance on down when we hit the floor
You gotta--
Gotta dance
Gonna dance around
Gonna dance on down
Hit the floor
Gonna call out for more
