

# Daley, Broken

Not a quitter,  
But I need to give up this fight  
For my sanity, my pride  
Do I leave? Do I stay and try?

Cos any minute,  
You will say the words goodbye  
Give me love, then change your mind  
And break all that I am inside.

That's why I'm never gonna love this way again  
I'm never gonna give my heart again  
Cos every time I try  
I end up broken /5x

These are stars  
These are the days  
And they shine for you and me  
So tell me why do we stand in the rain?

Cos any minute,  
We will both be killing time  
Tryna save you and I  
And that's no way to live

That's why I'm never gonna love this way again  
I'm never gonna give my heart again  
Cos every time I try  
I end up broken /5x

So take your mess my love  
Yes my love  
You'll remember what you had  
And I'll forget the past  
And move on to someone else  
A love I can feel

That's why I'm never gonna love this way again  
I'm never gonna give my heart again  
Cos every time I try  
I end up broken /5x
