

Dami Im, Paper Dragon

Colour me in s
scribble me out
tear me up
Throw me out
Colour me in s
scribble me out
tear me up up up into tiny pieces
you say i am nonsense

figure me out
analyse me
scratch me out
start again
figure me out
analyse me
scratch me out up into tiny pieces
you say i am useless

well,
you try to stapm me out
but i;ll come to life
you never try to burn me up
but i'll never die
