

# Damien Rice, I Remember

I remember it well  
The first time that I saw  
Your head around the door  
'Cause mine stopped working

I remember it well  
There was wet in your hair  
I was stood in the stairs  
And time stopped moving

I want you here tonight  
I want you here  
'Cause I can't believe what I found  
I want you here tonight  
I want you here  
Nothing is taking me down, down, down...

I remember it well  
Taxied out of a storm  
To watch you perform  
And my ships were sailing

I remember it well  
I was stood in your line  
And your mouth, your mouth, your mouth...

I want you here tonight  
I want you here  
'Cause I can't believe what I found  
I want you here tonight  
I want you here  
Nothing is taking me down, down, down...

Except you my love. Except you my love...

Come all ye lost  
Dive into moss  
I hope that my sanity covers the cost  
To remove the stain of my love  
Paper mach

Come all ye reborn  
Blow off my horn  
I'm driving real hard  
This is love, this is porn  
God will forgive me  
But I, I whip myself with scorn, scorn

I wanna hear what you have to say about me  
Hear if you're gonna live without me  
I wanna hear what you want  
I remember december  
And I wanna hear what you have to say about me  
Hear if you're gonna live without me  
I wanna hear what you want  
What the hell do you want?
