

Damien Rice, Rootless Tree

What I want from you is empty your head
They say be true, don't stay in your bed
We do what we need to be free
And it leans on me like a rootless tree

What I want from us is empty our minds
We fake the thoughts, and fracture the times
We go blind when we've needed to see
And this leans on me, like a rootless...

Fuck you, fuck you, fuck you
And all we've been through
I said leave it, leave it, leave it
There's nothing in you
And did you hate me, hate me, hate me, hate me so good
That you just let me out, let me out, let me out
Of this hell when you're around
Let me out, let me out, let me out
Hell when you're around
Let me out, let me out, let me out

What I want from this
Is learn to let go
No not of you
Of all that's been told
Killers re-invent and believe
And this leans on me, like a rootless...

Fuck you, fuck you, fuck you
And all we've been through
I said leave it, leave it, leave it
There's nothing in you
And did you hate me, hate me, hate me, hate me so good
That you just let me out, let me out, let me out
Of this hell when you're around
Let me out, let me out, let me out
Of this hell when you're around
Let me out, let me out, let me out
Hell when you're around
Let me out, let me out, let me out
Hell when you're around
Let me out, let me out, let me out, let me out
Let me out, let me out, let me out, let me out
Let me out, let me out, let me out

Fuck you, fuck you, love you
And all we've been through
I said leave it, leave it, leave it
It's nothing in you
And did you hate me, hate me, hate me, hate me so good
That you just let me out, let me out, let me out, let me out
Let me out, let me out, let me out, let me out
Let me out, let me out, let me out, let me out
Let me out, let me out, let me out

Let me out, let me out, let me out
Hell when you're around

Let me out, let me out, let me out
Hell when you're around

Let me out, let me out, let me out
Hell when you're around
