## Damien Rice, Woman Like A Man

I need a piss, Wanna hate, Fuck it up, come.

My love, Each and me, Keep your teeth, wrong.

Youve lost me, You caused me You taught me a million

Whip back Walk me to, Stupid fool

You wanna get boned
You wanna get stoned
You wanna get a room like no one else
You wanna be rich
You wanna be kitsch
You wanna be the bastard of yourself
You wanna get burned
You wanna get turned
You wanna get fucked inside out

You wanna be ruled You wanna be fooled

You wanna be a woman like a man like a woman like a man

A woman like a man like a man like a woman like a man, you like a man. (Ill get a cheaper ticket next time)
