Lendo?

Let's go!

Pretty girl pretty girl no make up  
If you seen her you would think  
She was made up  
In the party with ciroc of the ace up  
Party till the sun comes down  
Cause we paid up  
Homies get your up weight  
I got the baddest in my section  
Straight up all different complexion  
Wait but the one in red dress got me  
So messed up

Era se munio de manga meri  
Era se munio de manga meri  
Camera venda de lunio vara  
Tu y yo un beso me dejo marcado  
Lendo calendo una malida  
Caliendo peiciara  
Un beso me dejo marcado  
Lendo calendo una malida  
Calendo peiciara un beso beso

Moviendo sus caderas la vi caminar  
Un cuerpo como ninguna  
No puedo olvidara  
Yo le doy lo che le gusta  
La pongo a tamblar  
Bailando en lo oscuro  
Vamos volando

Era se munio de manga meri
