

# Dan's Home Grown, Not Alone

Just say goodbye, and close the door  
Turn off the lights and pick up the pieces  
If you need them  
This world is cold, but just know you're not alone

I know what you're thinkin'  
I know how you're feelin'  
Believe me, you're not alone  
I know what you're thinkin'  
I know how you're feelin'  
Believe me, you're not alone

I've been there before  
Just where you are  
And not quite so sure that I've done the right thing  
Believe me  
And this world is cold, so I'll make sure you're not alone

I know what you're thinkin'  
I know how you're feelin'  
Believe me, you're not alone  
I know what you're thinkin'  
I know how you're feelin'  
Believe me, you're not alone

Why can't you stay with me tonight?  
Cuz I know everything is not alright  
Why can't you stay with me tonight?  
Cuz I know everything is not alright  
And it's not alright

I know what you're thinkin'  
I know how you're feelin'  
Belive me, you're not alone  
I know what you're thinkin'  
I know how you're feelin'  
Believe me, you're not alone
