

Dance Dance Revolution, Boys

Boys, boys be my boy.
I wanna feel your body.
Boys, boys be my boy.
Tonight I'm ready honey.
Boys, boys be my boy.
I wanna be your lovergirl,
Be my loverboy.

Boys, boys be my boy.
I wanna feel your body.
Boys, boys be my boy.
Tonight I'm ready honey.
Boys, boys be my boy.
I wanna be your lovergirl,
Be my loverboy.

Hot summertime always something on my mind,
a kind of magic in the air.
I'm on the run to a sunny paradise,
with crowded beaches everywhere.

I'm just a girl that's looking for some fun.
It's time to get things started, so c'mon everybody.

Boys, boys be my boy.
I wanna feel your body.
Boys, boys be my boy.
Tonight I'm ready honey.
Boys, boys be my boy.
I wanna be your lovergirl,
Be my loverboy.

Boys, boys be my boy.
I wanna feel your body.
Boys, boys be my boy.
Tonight I'm ready honey.
Boys, boys be my boy.
I wanna be your lovergirl,
Be my loverboy.
