

# Daneliya Tuleshova, Like You Used To

We used to go out and walk by the lake  
Hand in hand  
You were so romantic  
Surprised me  
Drew our names on a cupcake

There was flowers waiting on a Monday  
But now you've been forgetting our dates  
What's going on  
You don't talk to me anymore

I'm sitting next to you  
But feeling like I'm here alone

There's something wrong with you  
Why don't you love me like you used to  
Like you used to  
love  
I'm afraid  
Cause you don't kiss me like you used to  
Like you used to  
What the hell is wrong  
Tell me what's going on  
What the hell is wrong  
Tell me what's going on with you  
I'm afraid  
Cause you don't kiss me like you used to  
Like you used to

You leave the room when your phone rings  
Everytime  
You just say you are busy at work  
But I know you got a new friend

I'm getting tired of fighting for your attention  
I'm not jealous  
I'm scared of losing you  
What's going on  
Can you talk to me  
Tell the truth

I'm sitting next to you  
But feeling like I'm here alone  
There's something wrong with you  
Why don't you love me like you used to  
Like you used to  
love  
I'm afraid  
Cause you don't kiss me like you used to  
Like you used to  
What the hell is wrong  
Tell me what's going on  
What the hell is wrong  
Tell me what's going on with you  
I'm afraid  
Cause you don't kiss me like you used to  
Like you used to
