

Daniel Johnston, The Beatles

When I was born in '61
They already had a hit
They worked so hard and they
Made it too
They really were very good
They deserved all their success
They earned it yes they did they didn't
Buy their respect
And everybody wanted to be like them
Everybody wanted to be the Beatles
And I really wanted to be like him
But he died
A legendary rock group
Like history now to read
Like a magical fairy tale that's hard to believe
But it really did happen
Four lads who shook the world
God bless them for what they done
God bless them for what they done
