

Daniel Merriweather, Change

i saw a dried up withered old rich man turning on a garden hose,
i see a young man picking up a gun i guess thats where the money goes (yeah),
am i just as good as a bad man sleeping when the rest are dying
or am i jus as bad as a good man saying theres no use of trying
Oooo tell me do you still believe

Oooo everything that you read

will we learn to get together and see who we really are

aint nothing gonna change

aint nothing gonna change if nobodys gonna wake up and start acting whose incharge

aint nothing gonna change

aint nothing gonna change

aint nothing gonna change

some people do it all for money & some do it all for their love

some do it all for the glory cuz nothing else their thinking of

i saw a man in a four door truck complaining that the price was high

like a well faired man with a smoothie in his hand saying who ate all the apple pie (yeah)

Oooo tell me do you still believe

Oooo everything that you read

will we learn to get together and see who we really are

aint nothing gonna change

aint nothing gonna change if nobodys gonna wake up and start acting whose in charge

aint nothing gonna change

its funny your ready to listen im never gonna listen most people follow intuition while they wishing it

and my vision isnt perfect so i will never learn for it

and while a poor for a poor for a peace of American society i get high the munchies i got so down v

will we learn to get together and see who we really are

aint nothing gonna change

aint nothing gonna change if nobodys gonna wake up and start acting whose incharge

aint nothing gonna change

aint nothing gonna change

aint nothing gonna change no no
