

# DaniLeigh, Easy (Remix) ft. Chris Brown

let me catch ya vibe  
let's just take our time  
just relax your mind  
and take it easy  
and have to decide  
you do I do i  
don't have to be mine  
let's take it easy

damn you so fi bae  
whipping thru 305 highway  
loving how u rde in the fast lane  
make me wanna say that's my babe ya  
dano gotta behave  
gotta be chill like a Sunday  
never wanna look too thirty  
but ya drip got me feeling wavy

make u fel lucky lucky  
make u wanna lve me love me  
and babby when u with me with me  
I got no worries worries  
I love it when u touch me, touch me  
the feeling is so lovely lovely  
make u wanna love me love me  
make me feel lucky luckuy

let me catch ya vibe  
let's just take our time  
just relax your mind  
and take it easy  
and have to decide  
you do I do i  
don't have to be mine  
let's take it easy

never gotta ode  
I jut wanna love u like a homie  
make u feel up like that OG  
it can feel just like the old days  
okay  
lets just be real  
ain;t no stress no mistake  
put in the work u gon misses me

[chris brown:]  
when you pull on my side babe  
speeding on that 101 highway  
moving too fast can ou feel the pace  
cause you see that look in my face  
and you know what it is  
pedal to the mental all gas no breaks  
girl I would never get in your way  
I'm gone shut up and let you drive  
put that thing to the floor  
one for the ride
