

Danko Jones, Guess Who's Back

Guess who's back?
Me, motherfucker
Take your best shot
'Cause I don't give a damn
And when you realize it
It's gonna make you shake
I know you're gonna deny it
It's gonna feel great

No sleep
No chill
I'm gonna be up all night
Just killing it
No breaks
No rest
Just kicks
And punching the walls

Damn, it feels so good
Damn, it feels so nice
It feels so good when you know you're right
And everybody else can kiss my ass

I'm gonna wreck this place
You're gonna have a bad day
And it won't stop
Till the smile's off your face

No sleep
No chill
I'm gonna be up all night
Just killing it
No breaks
No rest
Just kicks
And punching the walls

Damn, it feels so good
Damn, it feels so nice (Kiss my ass)
It feels so good when you know you're right
And everybody else can kiss my ass

Guess who's back?
Me, motherfucker
Take your best shot
'Cause I don't give a damn
And when you realize it
(It feels so good)
It's gonna make you shake
(It feels so nice)
I know you're gonna deny it
(It feels so good)
Gonna feel great
