Dannii Minogue, Am I Dreaming?

Written by G. Stack / P. Barry / S. Torch / M. Taylor

Tell me am I dreaming 'cause I've been falling

I can't deny these thoughts inside for you are always on my mind And it scares me so I'm losing control and I know I'm gonna let it happen I'm gonna let it happen

Tell me am I dreaming, dreaming are you feeling what I'm feeling 'cause I've been falling, falling Can you hear me, hear me calling Tell me am I dreaming, dreaming are you feeling what I'm feeling 'cause I've been falling, falling, falling

I can't explain why love turns to pain but you, you are my obsession, obsession And it scares me so I've no self control and I know I'm gonna let it happen I'm gonna let it happen

Tell me am I dreaming, dreaming are you feeling what I'm feeling 'cause I've been falling, falling Can you hear me, hear me calling Tell me am I dreaming, dreaming are you feeling what I'm feeling 'cause I've been falling, falling, falling

Dreaming
Dreaming, dreaming

Tell me am I dreaming, dreaming are you feeling what I'm feeling 'cause I've been falling, falling Can you hear me, hear me calling Tell me am I dreaming, dreaming are you feeling what I'm feeling 'cause I've been falling, falling, falling

Tell me am I dreaming, dreaming are you feeling what I'm feeling 'cause I've been falling, falling Can you hear me, hear me calling Tell me am I dreaming, dreaming are you feeling what I'm feeling 'cause I've been falling, falling, falling
