

# Dannii Minogue, Hallucination

Mmm ah  
Love me, hold me  
Love me, hold me  
Love me, hold me  
Love me, hold me

My inner world of fantasy  
Opens up for all to see  
Dreaming of you here with me  
Eyes and hands engulfing me

Inhibitions leaving us  
Expressing powers lead by lust  
Watch me wait if you can stand it  
Try my taste, too much to handle

Body, mind combine as one  
Unified, we've just begun  
Wrapped up in the world of love  
Forgetting all despair

Communication, concentration  
Touching worlds, hallucination  
Take me now to somewhere new  
Anywhere, to be with you

Love me, hold me  
Love me, hold me  
Love me, hold me  
Love me, hold me  
Love me

Multitude of mysteries  
Unfold before your eyes  
Pledge yourself to secrecy  
Cover up the lies

Fearless in your passion  
Thoughtless of your fear  
Safely hide it all inside  
Confusion getting clear
