Dannii Minogue, Show You The Way To Go (12&

Ooh let me show ya Let me show you the way to go

I don't know everything But there's something I do know I've read and heard a lot And now we're ready to show

That we can come together And think like one Come together now Live together Underneath the sun

Please let me show you

Let me show ya Let me show you the way to go Follow me my friend, hey yeah Let me show ya Let me show you the way to go

Just put your trust in me I'll try not to let you down The job is hard to do But only we can wear the crown

'Cos we can help each other to overcome

We can do it now Rejoice everybody And get the job done

Please let me show you

Let me show ya Let me show you the way to go Follow me Let me show ya Let me show you the way to go Hey yeah, Ooh

Never let you down, Oh Oh Show you the way

Show you the way to go Never let you down Show you the way to go I promise I will never let you down

We can do it, we can do it Hey yeah

I swear, I'll never let you down Let me, let me, let me Let me, let me, let me Let me, let me, let me, let me, let me show you
