

# Dannii Minogue, Sisters Are Doing It For Themse

Now there was a time when they used to say  
That behind every - &quot;great man&quot;;  
There had to be a - &quot;great woman&quot;;  
But in these times of change you know  
That it's no longer true  
So we're comin' out of the kitchen  
'Cause there's somethin' we forgot to say to you (we say)

Sisters are doin' it for themselves  
Standin' on their own two feet  
And ringin' on their own bells  
Sisters are doin' it for themselves

Now this is a song to celebrate  
The conscious liberation of the female state  
Mothers - daughters and their daughters too  
Woman to woman  
We're singin' with you  
The &quot;inferior sex&quot; got a new exterior  
We got doctors, lawyers, politicians too  
Everybody - take a look around  
Can you see - can you see - can you see  
There's a woman right next to you

Sisters are doin' it for themselves  
Standin' on their own two feet  
And ringin' on their own bells  
Sisters are doin' it for themselves

Now we ain't makin' stories  
And we ain't layin' plans  
'Cause a man still loves a woman  
And a woman still loves a man  
(Just a same though)
