

Dannii Minogue, Thinking 'Bout Us - feat. Autone

Every time we fight
See it in your eyes
I know that this is wrong, I know it
Even though I try
I never say it right
Been hating for so long, for so long

Ohh tonight I'm leaving
So I can stop us bleeding
Need a little time for healing
Darlin' I know that this is hard, I know

I will love you better when I'm lovin' myself
I'll be back when I'm ready to love someone else
I Promise you in time I'm gonna treat you so well
I'm thinkin' 'bout us, thinkin' 'bout us

I'm thinkin' 'bout us us us us
I'm thinkin' 'bout us, ohh
I'm thinkin' 'bout us us us us
I'm thinkin' 'bout us, thinkin' 'bout us, I'm thinkin' bout

Gotta walk away
It's the only way
I hope you understand, I hope
It's make or break
And it won't change
Without getting the space that I need

Ohh tonight I'm leaving
So I can stop us bleeding
Need a little time for healing
Darlin' I know that this is hard, I know

I will love you better when I'm lovin' myself
I'll be back when I'm ready to love someone else
I Promise you in time I'm gonna treat you so well
I'm thinkin' 'bout us, thinkin' 'bout us

I'm thinkin' 'bout us us us us
You know I'm thinkin' 'bout us, ohh
I'm thinkin' 'bout us us us us
I'm thinkin' 'bout us, thinkin' 'bout us, I'm thinkin' bout us

You know I'm thinkin' 'bout us,
I'm thinkin' 'bout us
I'm thinkin' 'bout us, thinkin' 'bout us

I will love you better when I'm lovin' myself
I'll be back when I'm ready to love someone else
I Promise you in time I'm gonna treat you so well
I'm thinkin' 'bout us, thinkin' 'bout us

I'm thinkin' 'bout us us us us
You know I'm thinkin' 'bout us, ohh
You know I'm thinkin' 'bout us us us us
I'm thinkin' 'bout us, thinkin' 'bout us, I'm thinkin' bout us
I'm thinkin' 'bout us
