

Danny Elfman, The Wedding Song

(All)

A wedding, a wedding, we're going to have a wedding.
A wedding, a wedding, we're going to have a wedding.

(Black Widow)

The spiders think you're very cute, but goodness knows you need a suit
But have no fears, we're quite adept.
We'll have you looking lovely, lovely, lovely, lovely,
Lovely, lovely, lovely, lovely, lovely yet
A little stitch, a little tuck, some tender loving care
A little thread will fix you up and we've got plenty as you see
And personally guarantee our quality repairs
A little here, I'll fix the mess,
We're going to do our very best
When everybody sees you, they will all be quite impressed
They will all be quite impressed

A wedding, we're going to have

(Cooks)

A wedding cake is no mistake, it must be quite sublime
We're missing something
Try some dust
I wish I had more time
Perhaps there's something I can do, these bones might help a bit
Oh, my nose
Sorry
Wait a minute, that's it!
Voila!
A little of that
A little of this
The perfect cake is hard to miss
A wedding, a wedding, we're going to have a wedding!

(Men and soldiers)

Huzzah, huzzah, we're going to have a wedding
(Hooray) A wedding (hooray)
Let's all give out a cheer
Cause the bride is getting married today
(Hooray)
One thing you can surely say is we will stand beside
Until the end we will defend our one and only bride
Our bride-to-be, our bride-to-be,
Our lovely Corpse Bride
Huzzah! Hooray! Huzzah! Hooray!
Our bride is getting married today.
(Oh, there she is.
Here she comes.)

(Women)

Oh, oh, the bride is here
She's waited for this day for many a year
For this day, for this day, our hopes and our pride
The bride is here, here comes the bride
Here comes the bride, here comes the bride
For this day, for this day will last forever
And all of her friends will work together
To make it the perfect day she's always dreamed
Our hopes and our pride,
Our bride, our lovely bride

(All)

We're going to have a party like nobody's ever seen
The living in the land above will not know where they've been

The land above, the party of the bride
Here comes the bride on this glorious day of days
Up to the land of the living
To celebrate!
