

Darius & Finlay, Do it all night

You make me burning, let the morning away
I like the vibe that you showing my way
I know that you not afraid of the truth girl
I know you wan them for show what to do
baby we can do it, we can do it all night
put you're body right in to it and we doing alright,
people singing, people dance until is sunlight
and we gonna do it all night
baby we can do it, we can do it all night
put you're body right in to it and we doing alright,
people singing, people dance until is sunlight
and we gonna do it all night
and we gonna do it all night
and we gonna do it all night
and we gonna do it all night
My head is spinning, going round and round
The way your body movin' way in on down
So im running baby, runing to you
Come show me what you do
baby we can do it, we can do it all night
put you're body right in to it and we doing alright,
people singing, people dance until is sunlight
and we gonna do it all night
baby we can do it, we can do it all night
put you're body right in to it and we doing alright,
people singing, people dance until is sunlight
and we gonna do it all night
baby we can do it, we can do it all night
put you're body right in to it and we doing alright,
people singing, people dance until is sunlight
and we gonna do it all night
