

Darius Rucker, Don't Think I Don't Think About It

I left out in a cloud of taillights and dust
Swore I wasn't comin' back, said I'd had enough
Saw you in the rear view standin', fadin' from my life
But I wasn't turnin' round
No, not this time

But don't think I don't think about it
Don't think I don't have regrets
Don't think it don't get to me
Between the work and the hurt and the whiskey
Don't think I don't wonder 'bout
Could've been should've been all worked out
I know what I felt and I know what I said
But don't think I don't think about it

When we make choices, we gotta live with them
Heard you found a real good man and you married him
I wonder if sometimes I cross your mind
Where would we be today
if I never drove that car away?

Don't think I don't think about it
Don't think I don't have regrets
Don't think it don't get to me
Between the work and the hurt and the whiskey
Don't think I don't wonder 'bout
Could've been should've been all worked out
Yeah I know what I felt and I know what I said
But don't think I don't think about it
Don't think I don't think about it

Don't think I don't think about it
Don't think I don't have regrets
Don't think you don't get to me
Between the work and the hurt and the whiskey
Don't think I don't wonder 'bout
Could've been should've been all worked out
I know what I felt and I know what I said
But don't think I don't think about it

No no, don't think I don't
Don't think I don't
