

Darius, What The World Needs Now

What the world needs now
Is love, sweet love
It's the only thing that there's just too little of
What the world needs now
Is love, sweet love
No, not just for some, but for everyone

Look, we don't need another mountain
There are oceans and rivers
Enough to cross, enough to last
Until the end of time

What the world needs now
Is love, sweet love
It's the only thing that there's just too little of
What the world needs now
Is love, sweet love
No, not just for some, but for everyone
