Darlene Love, Christmas (Baby Please Come Ho

The snow's coming down I'm watching it fall Lots of people around Baby please come home

The church bells in town All singing in sound Full of happy sounds Baby please come home

They're singing "Deck The Halls" But it's not like Christmas at all 'Cause I remember when you were here And all the fun we had last year

Pretty lights on the tree I'm watching them shine You should be here with me Baby please come home

They're singing "Deck The Halls" But it's not like Christmas at all 'Cause I remember when you were here And all the fun we had last year

If there was a way I'd hold back this tear But it's Christmas day Please Please Please Baby please come home
