Darren Hayes, Lemon Tree

Im sitting here in a boring room Its just another rainy sunday afternoon Im wasting my time I got nothing to do Im hanging around Im waiting for you But nothing ever happens - and I wonder Im driving around in my car Im driving too fast Im driving too far Id like to change my point of view I feel so lonely Im waiting for you But nothing ever happens - and I wonder I wonder how I wonder why yesterday you told me bout the blue blue sky and all that I can see is just a yellow lemon tree Im turning my head up and down Im turning turning turning turning around And all that I can see is just another lemon tree Im sitting here I miss the power Id like to go out taking a shower but theresa heavy cloud inside my head I feel so tired put myself into bed where nothing ever happens - and I wonder Isolation - is not good for me Isolation - I dont want to sit on a lemon tree Im steppin around in a desert of joy Baby anyhow III get another toy and everything will happen - and youll wonder I wonder how I wonder why yesterday you told me bout the blue blue sky and all that I can see is just a yellow lemon tree Im turning my head up and down Im turning turning turning turning around And all that I can see is just another lemon tree
