## Darwin Deez, You Can't Be My Girl

Today I?m what drugs aren?t what you are And can I come along You?re wasted and stoned when I am sober as a marble I think I love you are horrible I think I love you are horrible You can?t be my girl You can?t be my girl You can?t be my girl

Fishing for your lipstick,
You found your cigarettes
We?re hugging up the robin
As we sit on robin steps
You crazy and show you love
Till you?re swearing over tough
Evern insist on discussing him
You?re so wrong but some wrong you in
So wrong to kiss you when
You can?t be my girl
You can?t be my girl
You can?t be my girl

You?re sweet but you?re messed up Your best friend is a red cup But you remind me life can be fun, Yeah, yeah, yeah, Yeah, yeah, yeah, You can?t be my girl You can?t be my girl You can?t be my girl
